

about us...

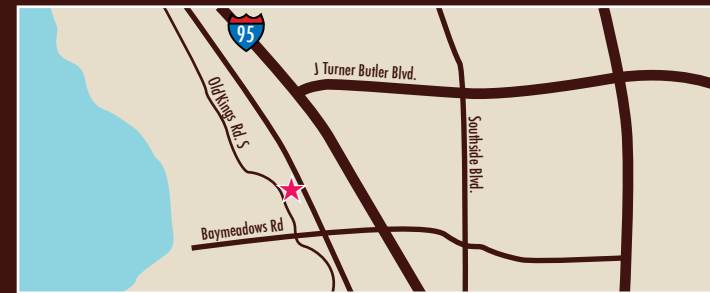

Mosaic Salon Studios is a private studio concept salon. Each of our professionals has his/her own private studio to serve clients. The benefit to our clients is they receive a more personal, one-on-one experience. Have you ever been embarrassed by the conversation taking place in the booth next to or across from you? Do you love getting your color done, but hate being seen with your hair all in foils? Do you require hair replacement or weaves and wish for a more private setting? Mosaic's private studios satisfies these legitimate concerns that customers have. Call today to setup an appointment or for a free consultation and experience the benefits of Mosaic Salon Studios.
